Welcome to Fall 2015

We have replaced physical decals with a virtual parking permit linked to your license plate.

**New Students:** Visit parking.fiu.edu to register your vehicle and obtain your virtual permit:

- Have your license plate information available
- Go to parking.fiu.edu and click the permits link on the top left hand side of the page
- Click on Students, and then click Sign On To Portal
  - On the Parking Account Login page, click Florida International University Single Sign On
  - If redirected to create an account, simply enter your Panther ID and click Link Account (you do not need to enter additional information as it pertains to visitors)
- Once logged into the portal, click Permits from the drop down menu choose Purchase Permit
- Select Student Annual Permit
- If your vehicle information has changed or is not listed, click the Add New Vehicle button
- Review your order details before you submit

**Returning Students:** If you had a decal for the 14-15 academic year and have been assessed a transportation access fee, your virtual permit will be auto-renewed and linked to your license plate on your profile.

**Do you have multiple vehicles?**
For a fee of $15 you can register 2 additional vehicles on your profile. Please keep in mind that only one vehicle is allowed on any campus at a time

**Housing Residents:** Once you have been assigned a student virtual permit, the housing permission will automatically be assigned to your permit.

Residents desiring to park in the Housing Garage may purchase the Housing Garage virtual permit for $160.00 per semester. For assistance please contact us at 305-348-3615

Key tips to remember:
- Please ensure that your vehicle and contact information up to date parking.fiu.edu
- Head-in parking ONLY
